V. Financing and Operating Budget

Developer Application for Funding

1. **Development proforma and operating budget:** In order to evaluate this proposal, the City of Quincy requires applicants to submit a development budget that includes all anticipated sources and uses of financing for the project and an operating budget that detail operating income and expenses. Applicants may use their own format or ask Housing Development staff to provide sample formats. Applicants are encouraged to use the state *One Stop Application*, used by Massachusetts affordable housing lenders and agencies to provide project sponsors with a single application that can be submitted to any or all of the participating organizations. Please complete Sections 1-4 of the One Stop and submit it with this application. The *One Stop Application* is available at www.onestopapp.com. Please refer to the attached Developer's Checklist which lists all the information required for submission.

Please note that Community Preservation Funds may not be used for the direct acquisition of community housing or housing-related maintenance costs. All applicants seeking Community Preservation Funds for community housing must submit a capital needs assessment with their application, unless the project is new construction or substantial rehabilitation.

2. **Property appraisal and data from Quincy Assessors Department:** Applicants must provide an "as is" appraisal of the project building(s) that provides satisfactory evidence that the purchase price of the project building(s) does not exceed fair market value. In addition, all applicants for housing funds must summarize data from the Quincy Assessors Department identifying the assessed value of the project building(s) and comparable properties in the neighborhood and/or City.
3. **Letters of financial commitment, including commitments for housing subsidies (if applicable):** If applicant does not have financing, describe what sources of financing are planned and the timeframe that funds are expected to be available, conditions, deadlines, limitations, etc. related to the commitment of non-City sources of funding. If receiving housing subsidies, submit commitment letters for housing subsidies or an explanation when the applicant will seek housing subsidies and from what source(s).

VI. Project Description

Please respond to the following and include supporting material as necessary.

1. **Goals:** What are the project goals?

Developer Application for Funding

2. Community need: Describe how the proposed project meets the housing needs identified in the <i>Quincy-Weymouth Consortium FY05-9 Consolidated Plan</i> .
3. Community support: Describe the nature and level of community support for this project. Please attach support letters and any petitions.
4. Plans to cultivate community support: Describe plans to cultivate/build neighborhood support. Provide a description of any meetings with Ward Councilors, the neighborhood, etc. that have been scheduled or have already occurred. If there has not been any neighborhood contact, then provide a brief description of how neighborhood residents will be involved in plans for the proposed project.
5. Capacity: Identify the members of the development team and describe their capacity to undertake the project. Identify the management entity if the project includes rental units. Describe how adherence to appropriate professional standards will be maintained.
6. Project outcomes: Describe how the success of the project will be measured. Identify specific, achievable goals.
7. Additional community benefits: Describe how this project can be used to achieve additional community benefits.

Developer Application for Funding

VII. Phase II Application (to be completed prior to scheduling a public hearing for the Planning Board)

1. For projects that include construction or rehabilitation, include the existing and proposed site plan, floor plans, elevations and any other drawings as necessary to illustrate the proposal.
2. Evidence that the project is in compliance with the zoning ordinance, Architectural Access Board Regulations, or any other applicable laws and/or regulations. If zoning relief is required, specify what relief is needed and when an application will be made to the City for zoning review.
3. Evidence that the appropriate City Boards and Commissions have approved the project. For example, proposed new uses on City Parks and Recreation land require approval from the Parks and Recreation Commission.
4. Evidence that the proposed site is free of hazardous materials or that there is a plan for remediation in place.
